Answer

MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT
(DR. MAHENDRA NATH PANDEY)

(a) to (c): The University Grants Commission (UGC) has informed that it does not conduct surprise checks in colleges. However, it is mandatory for colleges affiliated to Universities to undergo assessment and accreditation by the bodies recognized by the UGC. The National assessment and Accreditation Council (NAAC) and National Board of Accreditation (NBA) are recognized by the UGC for conducting accreditation of Universities and colleges. Through the process of accreditation, a college can ascertain its strengths and weaknesses through an informed and participatory process.
It is incumbent upon Universities to appraise the infrastructure and other facilities in colleges for the purpose of affiliation and maintenance of standards.
